Relevant RCGP curriculum statement –
6 LEARNING CREDITS
Remember you also have the potential to double the number of learning credits by demonstrating at appraisal how your learning has changed you practice. The forms that we provide at the end of the course will help you to reflect on your learning

Objectives
1. Describe common side effects and management of chemotherapy and radiotherapy
2. Explain and explore safety netting skills using scenarios and case studies
3. Explore knowledge of various types of cancer and referral pathways
